**Maximum
Convenience**

MedPax®

Exclusively at  **WholeScripts
PHARMACY**

Join the thousands of practitioners utilizing MedPax technology!

Times Are Changing

Products and logistical solutions that turn your office brand into a powerful business

Reasons to make the switch:

1. Individual dose packs deliver exact products, exact dosing, and specific time to take each dose
2. Cost effective and simple to use
3. Highest compliance and consistent reordering by patients
4. Private label capabilities; look like a million dollar company for a fraction of the cost

It's that simple.

What's more, our research shows that patients who use MedPax are 300% more likely to keep purchasing (and therefore taking) their supplements than if they purchase them individually online. So, why not give MedPax a try and experience the next level of convenience for your practice and your patients?

Forget juggling multiple bottles. MedPax packets are easy to understand, easy to take, and patients get better as a result.

—James Munro, ND
Medical Director, XYMOGEN

Why we are the industry leader in quality

We have manufacturing down to a science.

10

Turning the tide on plastic

Find out how XYMOGEN is reducing plastics and contributing to the global CleanSeas initiative.

When asked, “What makes XYMOGEN different?” my first answer is always our culture. We pride ourselves on having a “people first” culture. Our dedication to our customers and our commitment to our employees come first because we believe greater success is achieved through teamwork. Because we are a team, we believe in being open and honest and showing integrity in everything we do. We care that you want to help people live their healthiest lives; we want that too.

At XYMOGEN, we don’t just say we care, we show it. One way we have done that is with our expansion of WholeScripts.com, which we launched in 2019. This flourishing new ordering site for XYMOGEN formulas and select other professional-grade nutritional and herbal supplements is not just easier and faster for you, it offers more functionality, including integration with electronic medical record systems (EMRs).

You may be able to order other products elsewhere, but WholeScripts.com is your only one-stop site for XYMOGEN’s quality and our ePedigree-monitored exclusivity; and patients can only get XYMOGEN formulas through you, our registered practitioners.

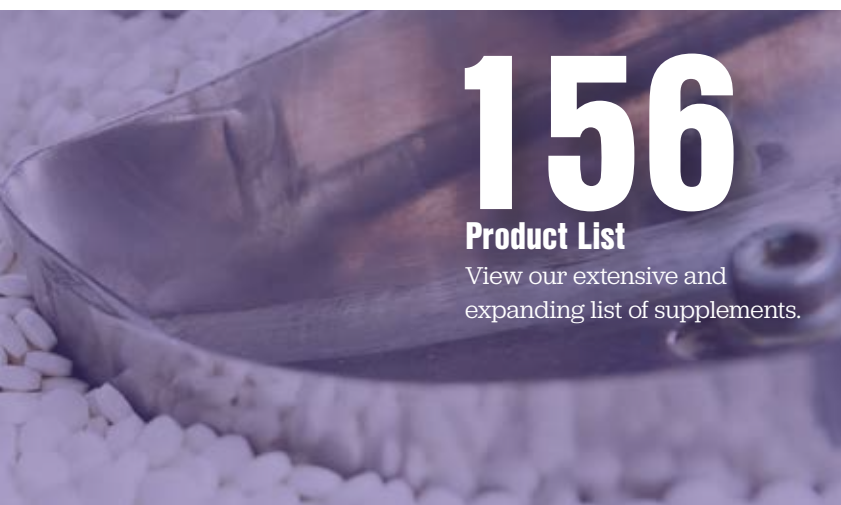

We are proud of our uniqueness and our launch of WholeScripts.com. Both offer us and you exceptional opportunities for growth and advancement. We hope this catalog will illustrate some of the differences that make us XYMOGEN, and how, together, we can help better the lives of your patients.

WholeScripts Educational Series

Featuring Unique Insights From Our Premier Partners

Elevating your practice and achieving more successful patient outcomes begins with your first learning session! Learn about real strategies to address real-world scenarios from real professionals, all while gaining an understanding of how to effectively utilize a variety of formulas and their components.

Our learning opportunities include:

- Weekly live webinars with Q&A sessions
- Local in-person seminars with product samples
- Exclusive access to our annual conference (date TBA)
- A library of webinar recordings to learn at your own pace

Get started today!

Log in to
WholeScripts.com

Practitioner Dashboard.

Protect Your Practice with

Rogue sellers are destroying your business by reselling your products and **ruining your business integrity.**

Commonly used sites that undermine businesses:

Amazon.com

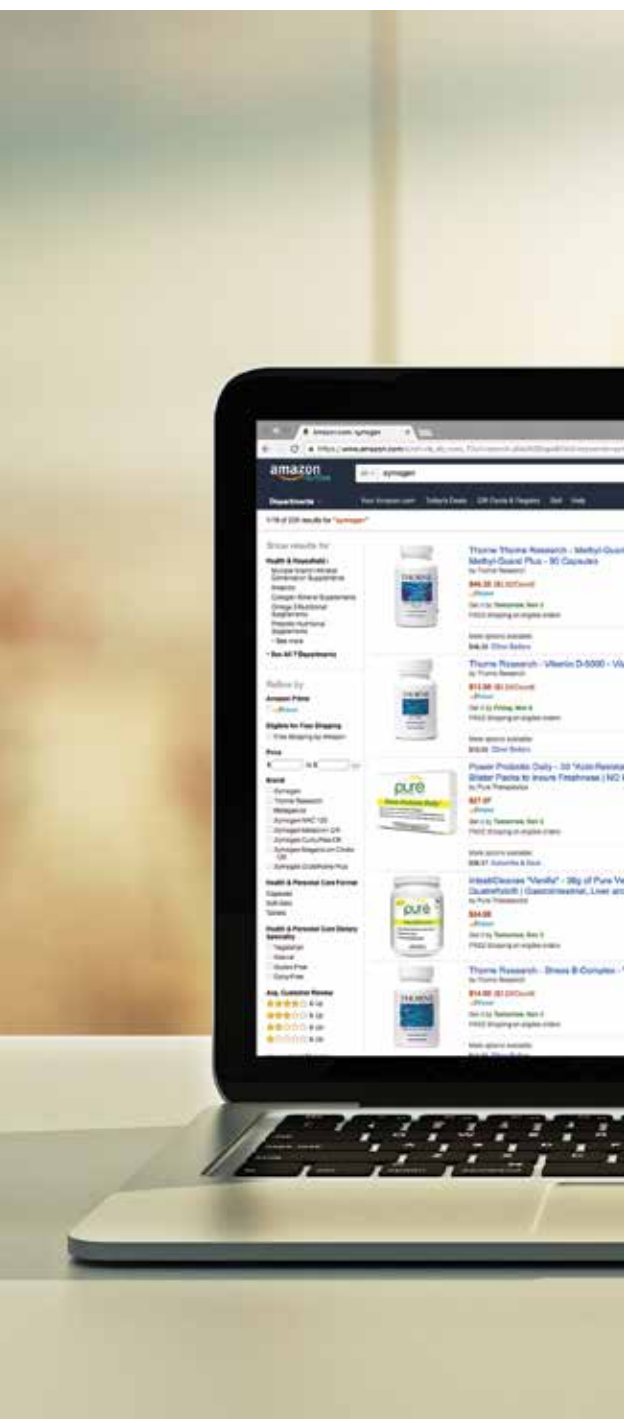

Walmart.com

eBay.com

Why this is important:

- **Guarantees quality, potency, safety, and authenticity**
- **Maximizes patient results and retention**
- **Gives patients a reason to return assured exclusivity**

XYMOGEN's Founder and CEO, Brian Blackburn, dislikes the Amazon.com model for often times intermingling authentic and counterfeit products, an issue he says has become critical in the nutraceutical industry. Birkenstock Americas' CEO, David Kahan, echoing this same sentiment, said it was the reason his company left Amazon. "XYMOGEN customers expect our formulas to be exactly what the label says they are," Blackburn says. "We put a lot of research, testing, and stringent protocols into place to ensure the safety and potency of our formulas. We can't allow rogue sellers to harm customers. That is why all XYMOGEN formulas are exclusively sold through educated, well-vetted health practitioners and Wholescripts.com."

Truly Exclusive Formulas

Exclusivity is in our byline.
It's not just something we claim,
it's **something we do for you.**

Nobody understands a patient's health better than their practitioner, which is why we want to make sure our formulas are exclusively available through them. And with the ePedigree (ePV) initiative, we're doing just that! Through ePV, we can ensure patients are buying authentic formulas from authorized practitioners (or from WholeScripts.com).

How this supports your business:

Track and Trace

The ePV number is a serial number distinct to every bottle, like a fingerprint, that allows us to track and trace the origins of the bottle.

No Internet Sales Policy

To protect formula exclusivity, we have implemented safeguards for tracking down violators and ending the unauthorized sale of our formulas.

Practitioner-Patient Loyalty

Build loyalty with your patients by providing them with exclusive, proprietary formulas they can't get anywhere else! A great "value-add" for growing your integrative medicine practice.

A Tidal Wave of Trash

XYMOGEN is committed to reducing the amount of plastic used throughout our business, particularly in the packaging of our products. Our participation in the United Nations Environment Programme's Clean Seas Campaign means we are committed to decreasing our environmental footprint and providing results that can ultimately:

Help free the ocean of litter, making it safer for trillions of marine animals

Reduce the use of non-renewable resources

Keep wild-caught seafood healthy and safe to eat

Protect maritime economies, such as organic fishing, tourism, and recreation

We are doing our part to make a world of difference. How are you making an impact?

There are 46,000 pieces of plastic in each square mile of the ocean, harming over 600 marine species.

Between 60 and 90 percent of litter that accumulates on shorelines is made up of plastic polymers.

Under marine conditions, some additives present in plastics become toxic to marine life and humans.

2022 Product Catalog

11

In just the last few years, we've gone from a 137,000 square-foot facility to a 20-acre, 307,000-square-foot campus.

Why Are We the Industry Leader in Quality?

At XYMOGEN, we have manufacturing down to a science. Our goal is to exceed standards, not just meet them. We have designed our facility from the ground up to support the flow of the manufacturing process. All of our standard operating procedures (SOPs) are designed with the goal of continuously meeting, or exceeding, current Good Manufacturing Processes (cGMPs).

XYMOGEN is independently verified to be cGMP-compliant by National Sanitation Foundation (NSF). Additionally, our facility is certified organic, which means we are authorized to make certified organic products.

“We have an open-door policy. Anyone is welcome to come tour [XYMOGEN] during operating hours to see our unique production processes in action.”

—Brian Blackburn, CEO

Superior Raw Materials

Price is not the primary factor in the sourcing of our raw materials. In order to produce the quality product that health professionals and their patients expect, we source raw materials based on their authenticity and efficacy as demonstrated in scientific literature.

Efficient Production

We utilize gravity feed (closed-loop) production equipment to achieve swift transitioning from one production step to another while simultaneously providing superior protection of the integrity of the product. Allergens are segregated to eliminate cross-contamination.

Truly Exclusive

Unlike most supplement brands, XYMOGEN's exclusive formulas are not available from general online vendors, such as Amazon. XYMOGEN formulas are only available through our registered practitioners (or WholeScripts.com). Our policies protect your patient, you, and our brand.

Strenuous Testing

We conduct a variety of tests to verify the identity, strength, purity, composition, and absence of contaminants in any given component used in production. We ensure completed formulas meet no less than 100% of the amount of all ingredients claimed on our labels.

Complete Transparency

A certificate of analysis (COA) documents our formulas' quality. Every lot of every product will have a COA generated to document all of the testing performed on the product, the specifications each test is intended to comply with, and the actual results for each test.

ONE SOFTGEL

ALL THE BENEFITS OF OMEGA-3s

Omega MonoPure allows patients the convenience of taking fewer capsules to get beneficial omega-3s that are absorbed faster and last longer.*

The Omega MonoPure family of formulas feature IFOS five-star certified MaxSimil® monoglyceride fish oil that has a three-times-greater EPA and DHA absorption rate than an equivalent dose of other leading fish oils. Through the use of MaxSimil patented lipid absorption enhancement technology (PLATform), the fish oil is absorption-ready and can be directly assimilated in the intestinal tract for maximum benefit.*

MaxSimil® Monoglyceride Omega-3s

- Easily absorbed and do not require digestion to be assimilated in the intestinal tract*
- No additional ingredients/excipients required for these enhanced benefits*

Smaller Amount with the Same Delivery

- Three times smaller dose for the same delivery of EPA + DHA when compared to standard fish oils
- 100% fish oil, no dilution

Readily Absorbable

- Ideal for individuals concerned about their digestive health*

Enhanced Bioavailability Through Superior Technology

MaxSimil is significantly more absorbable compared to ethyl ester or triglyceride forms.

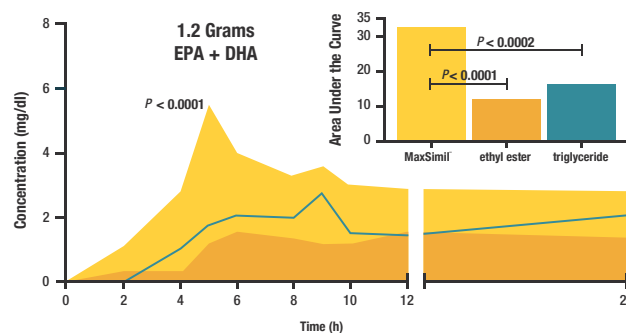

Figure 1. Pharmacokinetics of eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) as MaxSimil®, ethyl ester, or reconstituted triglyceride supplement. Concentrations (mg/dL) of plasma eicosapentaenoic acid and docosahexaenoic acid in total lipids over 24 hours (h) in subjects consuming a standardized diet (to mimic real-life conditions). All results are expressed as mean ± SEM (n = 22).

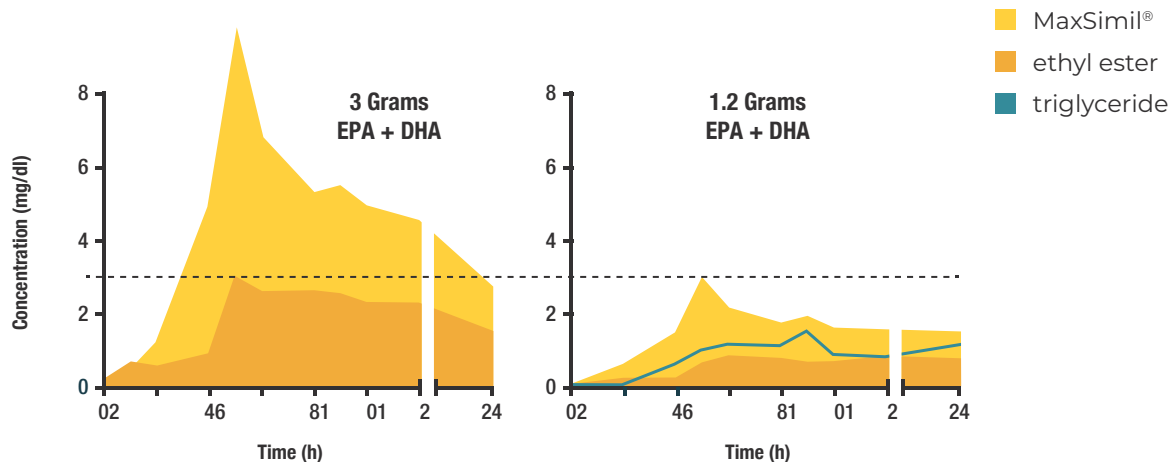

Figure 2. Concentrations (mg/dL) of plasma eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) in total lipids over 24 hours (h) in subjects consuming a standardized diet (to mimic real-life conditions). The left graph represents the 24-hour pharmacokinetics of 3000 mg omega-3 fatty acids (1800 mg EPA and 1200 mg DHA). The right graph represents the 24-hour pharmacokinetics of 1200 mg omega-3 fatty acids (875 mg EPA and 325 mg DHA). All results are expressed as mean \pm SEM (n = 22). C_{MAX} = peak serum concentration.

AUC

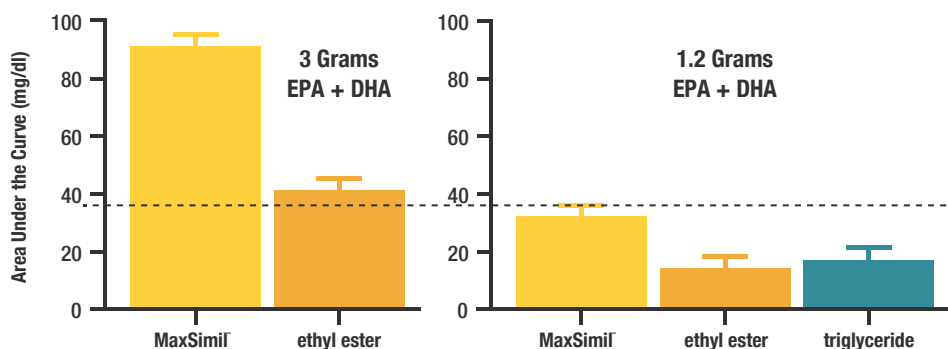

Figure 3. Concentrations (mg/dL) of plasma eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) in total lipids over 24 hours in subjects consuming a standardized diet (to mimic real-life conditions). The left graph represents the 24-hour AUC of 3000 mg omega-3 fatty acids (1800 mg EPA and 1200 mg DHA). The right graph represents the 24-hour AUC of 1200 mg omega-3 fatty acids (875 mg EPA and 325 mg DHA). All results are expressed as mean \pm SEM (n = 22).

New Formulas

Ashwagandha 35

Supports Healthy Stress Response and Sleep Quality*

 Available in 60 capsules

Features Shoden®, a purified extract of the leaves and roots of the ashwagandha plant that has been standardized to an industry-leading concentration of 35% withanolide glycosides. Shoden has been researched for its effects in helping the body adapt to physical and mental stressors and supporting the restoration of sleep quality.*

For more information, see page 40.

BergaCor® Plus

Cardiovascular and Blood Sugar Support from Bergamot and Amla*

 Available in 60 tablets

Combines the antioxidant activity of bergamot (*Citrus bergamia*) with the tonifying superfruit of amla (*Phyllanthus emblica*). Bergamot is used traditionally in Italy to support cardiovascular wellness. Amla is revered in Ayurveda for its role in cardiovascular health, and this use has been validated in modern human clinical trials. Research suggests that the lipid- and glucose-balancing flavonoids of bergamot and amla help maintain healthy cholesterol levels already within normal range and support healthy blood glucose metabolism.

For more information, see page 46.

Buffered C Powder

High-Potency, Tapioca-Derived Vitamin C*

 Available in 20 stick packs

Features 3,000 mg of vitamin C buffered with minerals and delivered in a fruit punch-flavored powder that rapidly disperses in water. This formula is packed with antioxidant activity and is well-suited for individuals seeking high-potency vitamin C to support immune health.*

For more information, see page 49.

FIT Food® Lean Collagen

15 g Bovine Collagen Peptides

 Available in Mocha Latte and Vanilla

Features bovine collagen peptides complemented with beta-hydroxy-beta-methylbutyrate (HMB) and vitamin D3, making it an optimal choice for supporting collagen production, the integrity of connective tissues, and muscle health. A natural metabolite of leucine, HMB increases lean muscle mass through dual mechanisms: inhibiting protein degradation and promoting protein synthesis. This versatile formula rapidly disperses in water and is ideal for athletes or for individuals who need an easily digested protein source.*

For more information, see page 62.

GI Balance/Powder

Soothing GI Tract Support*

 Available in 150 capsules

Features a custom blend of botanicals traditionally used to soothe the gastrointestinal tract. This formula is targeted to support membrane integrity and promote overall digestive health.*

 Available in Chai

Features L-glutamine with a custom blend of botanicals traditionally used to soothe the gastrointestinal tract. This easy-to-mix formula is targeted to support membrane integrity and promote overall digestive health.*

For more information, see page 70 and page 71.

HMB PRO

Supports Maintenance and Restoration of Muscle Health*

 Available in 150 capsules

Features beta-hydroxy-beta-methylbutyrate (HMB), a natural metabolite of leucine that supports increased protein synthesis and decreased protein degradation. Vitamin D, which supports skeletal muscle health and function, complements HMB to render this formula an optimal choice for supporting muscle health.*

For more information, see page 73.

Red Yeast Rice

Supports Cardiovascular Health*

 Available in 30 vegetarian capsules
60 vegetarian capsules

Features a patented extract produced by fermenting non-GMO rice with *Monascus purpureus* (red yeast). Extract of red yeast rice helps promote healthy blood lipid and cholesterol levels already within normal range. Red Yeast Rice is ideal for individuals seeking support for cardiovascular health and is third-party tested to confirm monacolin K and citrinin are not detected.*

For more information, see page 131.

Hemp MonoPure®

Highly Bioavailable Phytocannabinoids and Omega-3s*

 Available in 30 softgels and 60 softgels

Features a synergistic blend of phytocannabinoid-rich, THC-free hemp extract with aromatic terpenes to support the endocannabinoid system. The premium natural emulsifier delivery matrix is MaxSimil®, an IFOS five-star certified esterified fish oil that contains the omega-3s eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA).*

For more information, see page 72.

OptiMag® Neuro

Patented Magnesium for the Brain*

 Available in Mixed Berry, Lemon-Lime, Unflavored powder and 90 capsules

Features the same Albion forms of magnesium found in OptiMag 125 plus Magtein™ (magnesium L-threonate), the only form of magnesium proven in animal studies to cross the blood-brain barrier. Boosting the brain's magnesium level is vital to healthy cognition, which includes long- and short-term memory, learning, stress management, and sleep.*

For more information, see page 116.

SynovX® Relief

Rapid-Release Muscle and Joint Formula*

 Available in 40 softgels

A combination of modern science and traditional wisdom, SynovX® Relief disperses quickly to provide targeted support for muscle and joint comfort. Turmeric and Boswellia extracts are combined in a black sesame oil base using patented technology to swiftly inhibit cyclooxygenase and lipoxygenase receptors.*

For more information, see page 138.

New Formula

New Size

5-HTP CR

Controlled-Release 5-Hydroxytryptophan Formula

Available in
60 tablets

5-HTP CR has a delivery system that releases 5-HTP slowly and steadily over a period of time. 5-HTP is a drug-free amino acid derived from a plant that naturally increases the body's level of serotonin, the chemical messenger that affects emotions, behavior, appetite, and sleep. Today's stress-filled lifestyles and dietary practices may negatively affect how the body handles serotonin. Regular use of XYMOGEN's 5-HTP CR helps promote a more positive outlook and greater appetite control.*

Serving Size: 1 Tablet

	Amount Per Serving	%Daily Value
Calcium (as dicalcium phosphate dihydrate)	27 mg	2%
5-HTP (5-Hydroxytryptophan)(from <i>Griffonia simplicifolia</i>)(seed)..	100 mg	**

** Daily Value not established.

Other Ingredients: Hydroxypropyl methylcellulose, hydroxypropyl cellulose, ascorbyl palmitate, silica, and coating (tapioca maltodextrin, sunflower lecithin, palm oil, and guar gum).

DIRECTIONS: Take one tablet, up to two times daily, with a meal, or as directed by your healthcare professional. Do not exceed recommended dose.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, and artificial preservatives.

5-MTHF

Bioactive Folate as Quatrefolic®

Available in
60 capsules

5-MTHF, provided as Quatrefolic®, is the most biologically active form of the water-soluble B vitamin, folic acid. It is the preferred form of folate supplementation due to an array of conditions that can limit conversion or absorption of folic acid. Data indicate that supplementing with 5-MTHF increases plasma folate more effectively than folic acid.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt) ^{S1}	3,400 mcg DFE	850%

Other Ingredients: Microcrystalline cellulose, capsule (hypromellose and water), stearic acid, magnesium stearate, and silica.

DIRECTIONS: Take one to two capsules daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

 ^{S1} Quatrefolic® is a registered trademark of Gnosis S.p.A. Produced under U.S. Patent 7,947,662.

5-MTHF Plasma Levels in Rats After P.O. Administration of Different Foliates

Used with permission from Gnosis Advanced Biotech.
Crossover Comparative Bioavailability Study of 5-Methyltetrahydrofolate Glucosamine Salt (GN10G) Compared to the Reference Metafolin® in Healthy Volunteers. IPAS-5MTHFA-583-09 final report. Desio, Italy: Gnosis S.p.A.; March 15, 2010: 1-33. [available upon request].

5-MTHF ES
Bioactive Folate as Quatrefolic®

Available in
60 capsules

5-MTHF ES provides 17,000 mcg DFE of 5-MTHF (5-methyltetrahydrofolate) per serving. 5-MTHF is the most biologically active form of the water-soluble B vitamin, folate; and it may be the preferred form for those with variations in digestion, absorption, or folate metabolism. Data suggest that in comparison to synthetic folic acid, 5-MTHF increases plasma folate more effectively. In this formula, 5-MTHF is provided as Quatrefolic®—the glucosamine salt of 5-MTHF. Quatrefolic has demonstrated greater stability, solubility, and bioavailability when compared to calcium salt forms of 5-MTHF.*

Table with 3 columns: Component, Amount Per Serving, %Daily Value. Row 1: Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt)S1, 17,000 mcg DFE, 4,250%.

Other Ingredients: Microcrystalline cellulose, capsule (hypromellose and water), stearic acid, magnesium stearate, and silica.

DIRECTIONS: Take one to two capsules daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Quatrefolic® S1. Quatrefolic® is a registered trademark of Gnosis S.p.A. Produced under U.S. Patent 7,947,662.

The studies were also performed in healthy volunteers according to good laboratory practice (GLP).

Table with 8 columns: Pharmacokinetic parameter, Quatrefolic® (Mean, SD, CV%), Ca-L-5-MTHF (Mean, SD, CV%), D%. Rows: Cmax (nmol/l), AUC (nmol/l.h).

The human clinical study confirmed the experimental findings in the rat: Quatrefolic® has better bioavailability (+10%) than Ca-L-5-MTHF.

Used with permission from Gnosis Advanced Biotech. Crossover Comparative Bioavailability Study of 5-Methyltetrahydrofolate Glucosamine Salt (GN10G) Compared to the Reference Metafolin® in Healthy Volunteers. IPAS-5MTHFA-583-09 final report. Desio, Italy: Gnosis S.p.A.; March 15, 2010: 1-33. [available from the manufacturer Gnosis S.p.A. upon request]

5-MTHF Plus B12
Biologically Active Folate and B12

Available in 30 tablets
and 60 tablets

5-MTHF Plus B12 features Quatrefolic® and methylcobalamin in great-tasting, quick-dissolve tablet form. Quatrefolic is the glucosamine salt of 5-MTHF—the most biologically active form of folate that increases plasma folate more effectively than folic acid*

Table with 3 columns: Component, Amount Per Serving, %Daily Value. Row 1: Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt)S1, 1,700 mcg DFE, 425%. Row 2: Vitamin B12 (as methylcobalamin), 2,500 mcg, 104,167%.

Other Ingredients: Xylitol, ascorbyl palmitate, silica, and natural cherry flavor.

DIRECTIONS: Take one cherry-flavored tablet daily, or use as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Quatrefolic® S1. Quatrefolic® is a registered trademark of Gnosis S.p.A. Produced under US patent 7,947,662.

6-Day Detox Micro Kit

Biotransformation Program

Includes 10 single serving packets of OptiCleanse GHI Vanilla Delight Sugar-& Stevia-Free[†], 1 bottle of ColonX 60c, 1 carton of ProbioMax Daily DF 30c, and 1 bottle of Drainage 1 fl oz.

6-Day Detox Micro Kit is designed to renew and enhance the body's cleansing and detoxification capabilities. It combines four specially selected XYMOGEN formulations: **ColonX™**, **Drainage**, **ProbioMax® Daily DF**, and **OptiCleanse® GHI Sugar- & Stevia-Free**.

THREE IMPORTANT COMPONENTS FOR A SUCCESSFUL CLEANSE

Hydration

Water is essential for adequately hydrating cells and ensuring a successful cleanse. You should drink at least two quarts of water daily, preferably filtered through an absolute one micron water filter or by reverse osmosis for the best purity. A good rule of thumb: take your weight, divide it in half, and consume that many ounces of water per day. So, a 150-pound person should drink 75 ounces of water daily.

1

2

Exercise

Exercise is an important part of a healthy lifestyle. Not only can exercise help you control your weight, it can also improve your mood, energy level, and sleep quality. However, before adding any exercise routine, especially while you are on a cleanse, speak to your practitioner. Mild workout routines (such as brisk walking or beginner's yoga) are just a few that you might consider. Intense or very challenging exercise can hinder rather than help your cleanse.

Rest

Your body goes into "repair mode" while you sleep. A cleanse is also about repairing your body, so it makes sense that the two go hand-in-hand. During a cleanse, make sure to get 7-8 continuous hours of sleep per day. Doing this can help with the emotions that sometimes come up during a cleanse. Also, getting enough good rest may help reduce or eliminate your cravings for carbs and sugary foods.

3

ColonX™ Supplement Facts

Serving Size: 2 Capsules			
	Amount Per Serving	%Daily Value	
Magnesium (as magnesium citrate).....	200 mg	48%	
Triphala Extract (<i>Embolia officinalis</i>)(fruit), (<i>Terminalia chebula</i>)(fruit), (<i>Terminalia bellerica</i>)(fruit)(45% tannins).....	250 mg	**	
Cape Aloe (<i>Aloe ferox</i>)(leaf).....	50 mg	**	
** Daily Value not established.			

Other Ingredients: HPMC (capsule), stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.

DIRECTIONS: Take one to two capsules at bedtime with 8 oz of water, or as directed by your healthcare practitioner.

DOES NOT CONTAIN: Wheat, gluten, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

Other Ingredients: Sunflower oil, natural flavors (no MSG), medium-chain triglyceride oil, taurine, glycine, cellulose gum, xanthan gum, fungal proteases^{S5}, L-glutamine, monk fruit extract, guar gum, and silica.

DIRECTIONS: Blend, shake, or briskly stir 2 level scoops (53 g) into 10-12 ounces chilled, pure water (or mix amount for desired thickness) and consume once daily, or use as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

CONVENIENCE

has a new look

FUNCTIONAL FOODS FOR SUPPORT

From the top of their heads to the tips of their toes, your patients can benefit from XYMOGEN's nutraceuticals. This innovative suite of formulas includes powders that support brain function, promote optimal metabolism, encourage detoxification, and target GI health. Each formula features VegaPro™, a proprietary blend of highly digestible pea and rice protein with added amino acids, and is offered in a variety of tasty flavors—perfect for adding to a blended meal or snack or drinking on its own.*

OptiCleanse® GHI is our flagship nutraceutical. It is a fructose-free, low-allergy-potential cleansing formula backed by many years of successful clinical use. It not only promotes balanced detoxification, but it also addresses cytokine regulation and GI health three critical areas for building optimal wellness.*†

BrainSustain™ provides a complex mix of cutting-edge, brain-friendly nutrients that target mitochondrial energy production, antioxidant systems, neurotransmitter production, and cell membrane integrity to optimize brain health and function.*

i5™ formulas support natural detoxification pathways and gastrointestinal health while providing important nutrients and high-powered protein along with IgG immunoglobulins for immune support.*

OptiMetabolix™ powders offer healthy glucose and insulin metabolism support and feature InSea2®, an optimized blend of purified polyphenols from brown seaweeds that slow carbohydrate digestion and absorption.*

FIT Food® formulas support GI health while targeting body composition. Vegan formulas feature VegaPro. For non-vegans, FIT Food Whey offers a high-biological-value pure whey protein from New Zealand that is free of genetically engineered hormones and provides naturally occurring, bioactive immunoglobulins to boost immunity.*†

†Also available in sugar- and stevia-free

ActivEssentials™

Daily Dose-Pack Nutrition

ActivEssentials™ is a convenient way to get daily comprehensive nutritional support. Each daily dose packet contains several different supplements that provide Albion® chelated minerals; activated B vitamins, including 5-MTHF as Quatrefolic® and methylcobalamin as MecobalActive™; botanicals for antioxidant protection; and fresh, pure IFOS five-star certified fish oils.

ActivNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetarian capsules.

OmegaPure 600 EC™: Is International Fish Oil Standards (IFOS) five-star certified, which assures the highest level of purity, stability, and potency in fish oils. Each fish-gelatin-based softgel provides 600 mg of EPA and DHA. The softgels are covered with a generally regarded as safe (GRAS) certified enteric coating so that they are easy to swallow and the EPA/DHA content is optimally absorbed. EPA and DHA from fish oil promote wellness by supporting cardiovascular health, cytokine balance, joint health, and brain and nervous system function.*

Oraxinol™: An innovative blend of ORAC botanicals. ORAC (oxygen radical absorbance capacity) is a rating developed by the National Institute on Aging to measure antioxidant capacity. An ORAC rating of 6000 µmol TE (trolox equivalents), as found in two capsules of Oraxinol, has been shown to have the antioxidant equivalent of five to nine servings of fruits and vegetables.*

Serving Size: 1 Packet

2 ActivNutrients® without Iron Capsules

	Amount Per Serving	%Daily Value
Vitamin A (75% as natural beta-carotene and 25% as retinyl palmitate)	1,120 mcg	124%
Vitamin C (as sodium ascorbate, potassium ascorbate, zinc ascorbate, and calcium ascorbate)	125 mg	139%
Vitamin D3 (cholecalciferol)	2.5 mcg (100 IU)	13%
Vitamin E (as d-alpha tocopheryl succinate)	67 mg	447%
Thiamin (as thiamine mononitrate)	10 mg	833%
Riboflavin (as riboflavin 5'-phosphate sodium)	10 mg	769%
Niacin (as niacinamide and niacin)	32 mg	200%
Vitamin B6 (as pyridoxal 5'-phosphate)	10 mg	588%
Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt) ^{S1}	340 mcg DFE	85%
Vitamin B12 (as methylcobalamin)	250 mcg	10,417%
Biotin	500 mcg	1,667%
Pantothenic Acid (as d-calcium pantothenate)	100 mg	2,000%
Choline (as choline dihydrogen citrate)	18 mg	3%
Calcium (as di-calcium malate ^{S2} , d-calcium pantothenate, and calcium ascorbate)	50 mg	4%
Iodine (as potassium iodide)	50 mcg	33%
Magnesium (as di-magnesium malate) ^{S2}	50 mg	12%
Zinc (as zinc bisglycinate chelate) ^{S2}	6.5 mg	59%
Selenium (as selenium glycinate complex) ^{S2}	50 mcg	91%
Copper (as copper bisglycinate chelate) ^{S2}	0.5 mg	56%
Manganese (as manganese bisglycinate chelate) ^{S2}	0.25 mg	11%
Chromium (as chromium nicotinate glycinate chelate) ^{S2}	250 mcg	714%
Molybdenum (as molybdenum glycinate chelate) ^{S2}	25 mcg	56%
Potassium (as potassium glycinate complex ^{S2} and potassium ascorbate)	49.5 mg	1%
Inositol	18 mg	**
PABA (para-aminobenzoic acid)	6 mg	**
Vanadium (as vanadium nicotinate glycinate chelate) ^{S2}	375 mcg	**

‡ Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value (DV) not established.

Other Ingredients for ActivNutrients without Iron: Capsule (hypromellose and water), microcrystalline cellulose, ascorbyl palmitate, silica, medium-chain triglyceride oil, and mixed tocopherols.

1 Oraxinol™ Capsule

Amount Per Serving %Daily Value

Oraxinol Proprietary Blend	
Grape (<i>Vitis vinifera</i>)(seed, skin, and pulp), pomegranate (<i>Punica granatum</i>)(whole fruit), blueberry (<i>Vaccinium uliginosum</i>) (whole berry), chokeberry (<i>Aronia arbutifolia</i>)(whole berry), mangosteen (<i>Garcinia mangostana</i>)(skin), cranberry (<i>Vaccinium macrocarpon</i>) (whole berry), goji berry (<i>Lycium barbarum</i>)(whole berry), apple (<i>Malus pumila Mill</i>)(skin), bilberry (<i>Vaccinium myrtillus</i>)(whole berry)	
(6,000 µmol TE/g)	500 mg

ActivEssentials™ with OncoPLEX™ & D3

Daily Dose-Pack Nutrition

ActivEssentials™ with OncoPLEX™ & D3 is a conveniently dose-packaged combination of three formulas that provide comprehensive nutritional support for health and well-being especially when higher vitamin D intake and long-lasting antioxidant support against free radical damage is desirable.*

ActivNutrients® without Iron: A high-quality, hypoallergenic, proprietary multivitamin/mineral blend featuring activated vitamins, including folate as 5-MTHF (5-methyltetrahydrofolate), and patented Albion® chelated mineral complexes in easy-to-swallow vegetarian capsules.

OncoPLEX™ & D3: Each capsule provides 2000 IU of vitamin D3 and 15 mg of glucoraphanin from highly concentrated broccoli seed extract, an ingredient found in XYMOGEN's formulas OncoPLEX™ and OncoPLEX ES™. Glucoraphanin is the precursor to sulforaphane, and it possesses antioxidant activity that lasts up to 72 hours—significantly longer than the activity of vitamins C, E, or beta-carotene. Glucoraphanin also activates the transcription factor Nrf2, which induces increased synthesis of phase 2 detoxification and antioxidant enzymes. D3 is provided as cholecalciferol, identical to the form in which it is derived in the body from cholesterol and synthesized by sunlight on the skin. D3 has been shown to raise and maintain serum vitamin D and increase storage concentrations of vitamin D better than D2.*

Omega MonoPure® 650 EC: Features natural enzymatically enhanced MaxSimil® monoglyceride fish oil that has a three times greater EPA/DHA absorption rate than an equivalent dose of ethyl ester fish oil. This translates to less fish oil in a smaller softgel for easy swallowing. This IFOS five-star certified fish oil outperforms other fish oils through MaxSimil patented lipid absorption enhancement technology (PLATform).*

MULTIVITAMINS FOR MULTIPLE NEEDS

Formula Line Spotlight

A collection of high-quality, hypoallergenic multivitamin/mineral formulas for wellness support for a variety of different patients

ActivNutrients® is the comprehensive multivitamin/mineral blend that started it all. It was designed with a low amount of digestive tract-friendly iron (2.5 mg or 14% Daily Value) for those individuals who need a minimal boost or are taking an iron supplement concurrently. Each two-capsule serving also contains 0.5 mg (56% Daily Value) of copper.*

ActivNutrients® Chewables for children is formulated to address children's unique nutritional needs for growth, development, and vitality. It can help close the nutritional gaps that are often the result of a suboptimal diet. Each great-tasting chewable tablet provides 23 important vitamins and minerals in active, highly bioavailable forms. Additionally, this formula is free of artificial colors and flavors, preservatives, and high-fructose corn syrup.*

ActivNutrients® Performance is a premium multivitamin/mineral formula with metabolically active B vitamins and a bioavailable mineral complex for optimal nutrient utilization. In addition to foundational nutrition, this comprehensive formulation features targeted ingredients to support cellular energy production and promote mental and physical vitality.*

ActivNutrients® without Copper & Iron is designed to help meet daily nutritional requirements without adding iron and copper. It is especially useful for individuals who either consume enough of these minerals in their diet or have a concern about adding additional amounts of iron and copper to their bodies.*

ActivNutrients® without Copper & Iron Multivitamin Powder provides the same nutritional support as the encapsulated formula in a great-tasting, sugar-free, fruit punch-flavored powder that is suitable for those individuals who have difficulty or dislike swallowing capsules or tablets. This formula also allows practitioners to adjust the dose according to a patient's individual needs.*

ActivNutrients® without Iron is for those individuals for whom additional iron is unnecessary due to any number of reasons, including already consuming sufficient amounts of iron in their diet or wishing to avoid iron overload.*

ActivNutrients®

Multivitamin/Mineral Formula for Wellness Support*

Available in 120 capsules
and 240 capsules

ActivNutrients® features a premium, multivitamin/mineral blend of high-quality vitamin and mineral forms selected for optimum utilization. The comprehensive nutrient profile is delivered in a vegetarian capsule and supports foundational wellness; provides antioxidant activity with vitamins C and E, selenium, and beta-carotene; and supports detoxification.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Vitamin A (75% as natural beta-carotene and 25% as retinyl palmitate)	1,120 mcg	124%
Vitamin C (as sodium ascorbate, potassium ascorbate, zinc ascorbate, and calcium ascorbate)	125 mg	139%
Vitamin D3 (cholecalciferol)	2.5 mcg (100 IU)	13%
Vitamin E		
(as d-alpha tocopheryl succinate)	67 mg	447%
Thiamin (as thiamine mononitrate)	10 mg	833%
Riboflavin (as riboflavin 5'-phosphate sodium)	10 mg	769%
Niacin (as niacinamide and niacin)	32 mg	200%
Vitamin B6 (as pyridoxal 5'-phosphate)	10 mg	588%
Folate (as (6S)-5-methyltetrahydrofolic acid, glucosamine salt) ^{S1}	340 mcg DFE	85%
Vitamin B12 (as methylcobalamin)	250 mcg	10,417%
Biotin	500 mcg	1,667%
Pantothenic Acid (as d-calcium pantothenate)	100 mg	2,000%
Choline (as choline dihydrogen citrate)	18 mg	3%
Calcium (as di-calcium malate ^{S2} , d-calcium pantothenate, and calcium ascorbate)	50 mg	4%
Iron (as ferrous bisglycinate chelate) ^{S2}	2.5 mg	14%
Iodine (as potassium iodide)	50 mcg	33%
Magnesium (as di-magnesium malate) ^{S2}	50 mg	12%
Zinc (as zinc bisglycinate chelate) ^{S2}	6.5 mg	59%
Selenium (as selenium glycinate complex) ^{S2}	50 mcg	91%
Copper (as copper bisglycinate chelate) ^{S2}	0.5 mg	56%
Manganese (as manganese bisglycinate chelate) ^{S2}	0.25 mg	11%
Chromium (as chromium nicotinate glycinate chelate) ^{S2}	250 mcg	714%
Molybdenum (as molybdenum glycinate chelate) ^{S2}	25 mcg	56%
Potassium (as potassium glycinate complex ^{S2} and potassium ascorbate)	49.5 mg	1%
Inositol	18 mg	**
PABA (para-aminobenzoic acid)	6 mg	**
Vanadium (as vanadium nicotinate glycinate chelate) ^{S2}	375 mcg	**

** Daily Value (DV) not established.

Other Ingredients: Capsule (hypromellose and water), microcrystalline cellulose, ascorbyl palmitate, silica, medium-chain triglyceride oil, and mixed tocopherols.

DIRECTIONS: Take two capsules twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Adeno+Hydroxo B12
2,500 mcg of Non-Methylated B12

Available in 60 quick-dissolve tablets

Adeno+Hydroxo B12 combines two forms—adenosylcobalamin and hydroxocobalamin—of the cobalamin family of compounds to yield 2,500 mcg of non-methylated B12. This quick-dissolve, fruit punch-flavored tablet is formulated to support a healthy nervous system and healthy cellular function.*

Serving Size: 1 Quick-Dissolve Tablet

	Amount Per Serving	%Daily Value
Vitamin B12 (as adenosylcobalamin and hydroxocobalamin acetate)	2,500 mcg	104,167%
Other Ingredients: Xylitol, microcrystalline cellulose, croscarmellose sodium, ascorbyl palmitate, natural flavors, and silica.		

DIRECTIONS: Take one quick-dissolve tablet daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Adrenaliv®
Optimal Adrenal Support to Promote Energy and Stamina*

Available in 60 capsules and 120 capsules

Adrenaliv® features a comprehensive blend of nutrients and botanical extracts targeted to supporting the body's adaptogenic response to promote optimal energy production, stamina, and the management of everyday stressors. Adrenal glandular tissue, sourced from Argentinian bovine to safeguard purity, rounds out the ingredient profile.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
Vitamin C (ascorbic acid)	125 mg	139%
Vitamin B6 (as pyridoxal 5'-phosphate)	15 mg	882%
Pantothenic Acid (as d-calcium pantothenate)	150 mg	3,000%
Adrenal Gland (from bovine)(Argentina)	125 mg	**
Asian Ginseng Extract (Panax ginseng)(root)(4% ginsenosides)	75 mg	**
Eleuthero Extract (Eleutherococcus senticosus)(root)(0.8% eleutheroside)	50 mg	**
Licorice (Glycyrrhiza glabra)(roots)	50 mg	**
Schisandra Extract (Schisandra chinensis)(berries)(2% schisandrins)	50 mg	**
Rhodiola Extract (Rhodiola rosea)(root)(3% rosavins and 1% salidroside)	50 mg	**
** Daily Value not established.		
Other Ingredients: HPMC (capsule), stearic acid, magnesium stearate, and silica.		

DIRECTIONS: Take one capsule twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Adrenal Essence®
Adaptogenic Herbal & Vitamin Supplement*

Available in 60 capsules and 120 capsules

Adrenal Essence® is a comprehensive blend of the highest-quality adaptogenic herbs plus three B vitamins. These ingredients aid in adrenal hormone production and support the body's adaptogenic response. The formula is designed to support healthy energy levels, antioxidant activity, and healthy immune function.*

Serving Size: 1 Capsule

	Amount Per Serving	%DV
Vitamin B6 (as pyridoxine HCl)	25 mg	1,471%
Pantothenic Acid (as d-calcium pantothenate)	50 mg	1,000%
Cordyceps (Cordyceps militaris)(mycelium)	400 mg	**

AdrenaMax™

Support for Mental Focus and Neurotransmitter Production*

 Available in
120 capsules

Each **AdrenaMax™** capsule contains 400 mg of L-tyrosine, a conditionally essential amino acid the body can convert to the neurotransmitters dopamine, epinephrine, and norepinephrine. These neurotransmitters are found to increase mental alertness and focus and also preserve normal memory under stressful conditions. N-acetyl-L-cysteine is present to support glutathione production, antioxidant activity, and neuronal protection.*

Serving Size: 3 Capsules

	Amount Per Serving	%Daily Value
L-Tyrosine	1.2 g	**
N-Acetyl-L-Cysteine	400 mg	**
** Daily Value not established.		

Other Ingredients: Capsule (hypromellose and water), stearic acid, magnesium stearate, and silica.

DIRECTIONS: Take one to three capsules one to three times per day, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and preservatives.

ALAmox™ CR

Controlled-Release Alpha-Lipoic Acid

 Available in 60 tablets
and 120 tablets

ALAmox™ CR is a whole-body, multifunctional antioxidant that helps to maintain healthy, well-functioning cells. ALAmox CR is designed to neutralize free radicals. ALAmox CR has the ability to destroy free radicals in both the water-based and lipid-based portion of cells, making it the ideal whole-body antioxidant. In addition, ALAmox CR helps the body synthesize glutathione, the body's own master detoxifier.

ALAmox CR also "recharges" other important antioxidants, such as vitamins C and E, and CoQ10, giving them the ability to continue fighting free radicals for extended periods of time. In addition, biotin supports the function of alpha-lipoic acid in regulating glucose metabolism.*

Serving Size: 1 Tablet

	Amount Per Serving	%Daily Value
Biotin	450 mcg	1,500%
Alpha-Lipoic Acid	600 mg	**
** Daily Value not established.		

Other Ingredients: Hydroxypropyl methyl cellulose, magnesium stearate, microcrystalline cellulose, hydroxypropyl cellulose, dicalcium phosphate, silica, and coating (hydroxypropyl methyl cellulose and medium-chain triglycerides).

DIRECTIONS: Take one tablet 30 minutes before breakfast and one tablet 30 minutes before dinner, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, corn, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

ALAmox™ Protect

Berberine and ALA Complex

Available in
120 capsules

ALAmox™ Protect is designed to help support cardiometabolic health. It delivers alpha-lipoic acid (ALA), the plant alkaloid berberine, and biotin in one convenient formula. These ingredients have been observed to support insulin activity and glucose metabolism. Research also suggests a role for berberine in supporting normal A1C levels.*

Serving Size: 2 Capsules			VEGETARIAN CAPS	
	Amount Per Serving	%Daily Value		
Biotin	190 mcg	633%		
Berberine HCl	500 mg	**		
Alpha-Lipoic Acid	250 mg	**		
**Daily Value not established.				
Other Ingredients: Capsule (hypromellose and water), dicalcium phosphate, magnesium stearate, silica, and microcrystalline cellulose.				

DIRECTIONS: Take two capsules twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

AllerDHQ™

Support for Seasonal Environmental Challenges*

Available in
60 capsules
and 120 capsules

AllerDHQ™ incorporates bioflavonoids, micronutrients, proteolytic enzymes, and herbs into a comprehensive formula that provides multifaceted support for individuals with immune imbalances. Dihydroquercetin, a key component in AllerDHQ, inhibits oxidation, is bioactive, and is highly absorbable. AllerDHQ supports the body's regulating function in addressing an overactive or distressed histamine response that are sometimes brought on by the environment.*

Serving Size: 2 Capsules			VEGETARIAN CAPS	
	Amount Per Serving	%Daily Value		
Vitamin C (ascorbic acid)	200 mg	222%

Rutin (from <i>Sophora japonica</i>)(bud)	100 mg	**		
N-Acetyl-L-Cysteine	100 mg	**		
Dihydroquercetin	40 mg	**		
** Daily Value not established.				
Other Ingredients: Capsule (hypromellose and water), dicalcium phosphate, stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.				

DIRECTIONS: Take one to two capsules daily, or as directed by your healthcare professional

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Appe-Curb™

Combating Cravings Naturally*

Available in 120 capsules
and 240 capsules

Appe-Curb™ contains key amino acids to support the biosynthesis of neurotransmitters involved in appetite control, carbohydrate or fat cravings, and mood. Chromium is present to support healthy glucose metabolism and support food intake regulation.*

Serving Size: 4 Capsules			VEGETARIAN CAPS	
	Amount Per Serving	%Daily Value		
Vitamin C (ascorbic acid)	500 mg	556%		
Vitamin B6 (as pyridoxine HCl)	37.5 mg	2206%		
Chromium (as chromium nicotinate glycinate chelate) ^{S1}	60 mcg	171%		
DL-Phenylalanine	1 g	**		
L-Tyrosine	750 mg	**		
L-Glutamine	375 mg	**		
5-HTP (5-hydroxytryptophan)(from <i>Griffonia simplicifolia</i>)(seed)	75 mg	**		
** Daily Value not established.				
Other Ingredients: Capsule (hypromellose and water), stearic acid, magnesium stearate, medium-chain triglyceride oil, and silica.				

DIRECTIONS: Take four capsules before breakfast and four capsules before lunch, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

ATP Ignite™

On-the-Go Energy Support*

 Available in
Mixed Berry and Citrus

ATP Ignite™ transforms water into a great-tasting, revitalizing energy drink. Each stick provides a combination of B vitamins, electrolytes, trace minerals, amino acids, herbs, and antioxidants to fuel your body's energy production. Building on these important nutrients, ATP Ignite also features a caffeine pterostilbene cocrystal. Initial reports suggest that this cocrystal's caffeine may be absorbed more slowly and stay in your system longer than regular caffeine, which may help your energy last longer. With just 4 g of carbohydrate per serving and zero sugars, ATP Ignite simply gives your body what it needs to produce energy.*

ATP Ignite™ Citrus

ATP Ignite™ Mixed Berry

ATP Ignite™ Workout

Exercise Performance & Results Optimizer*

Available in
Mixed Berry

ATP Ignite™ Workout is designed to meet the demanding needs of the body during and after exercise. This great-tasting drink mix provides a low-carb, zero-sugar combination of bioactive B vitamins, electrolytes, Albion TRAACS® chelated trace minerals, key amino acids, herbs, and powerful antioxidants without the use of synthetic sweeteners or artificial ingredients. To fuel muscular excitability and take performance and recovery to the next level, ATP Ignite Workout features a unique blend of natural exercise enhancers that are patented and clinically tested. These include caffeine/pterostilbene co-crystal, Creapure® creatine, and Peak ATP® adenosine triphosphate. Let ATP Ignite Workout help you maximize your exercise time and energy output.*

B12 Transformation Steps

Cyanocobalamin vs Methylcobalamin

Benfotiamine

Lipid-Soluble, Highly Bioavailable Thiamin Derivative*

 Available in
120 capsules

Benfotiamine is a lipid-soluble derivative of thiamin that demonstrates improved absorption and duration of activity compared to water-soluble thiamin. Benfotiamine activates transketolase activity, thereby facilitating conversion of harmful glucose metabolites and positively affecting AGE formation. It supports peripheral nerve health and may support vascular health, including the microvasculature of the retina and kidney. Benfotiamine is also an excellent way to improve thiamin status.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Benfotiamine	300 mg	**

**Daily Value not established.

Other Ingredients: Microcrystalline cellulose, capsule (hypromellose and water), ascorbyl palmitate, silica, and medium-chain triglyceride oil.

DIRECTIONS: Take two capsules in the morning and two capsules in the evening, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Berbemycin™

Supports Healthy Microbial Balance*

 Available in
120 capsules

Berbemycin™ features berberine, a plant alkaloid broadly used in traditional Ayurvedic and Chinese herbal practices that has exhibited clinical benefits for supporting healthy microbial activity in the gastrointestinal tract. The complementary ingredients Oregon grape root, which naturally contains concentrated berberine, and extracts of grapefruit seed and uva ursi also influence microbial activity.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Oregon Grape (<i>Mahonia aquifolium</i>)(roots)	390 mg	**
Grapefruit 5:1 Extract (<i>Citrus x paradisi</i>)(seed)	350 mg	**
Berberine HCl	250 mg	**
Uva Ursi Extract (<i>Arctostaphylos uva-ursi</i>)(leaves)(16% arbutin) ..	180 mg	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), hydroxypropyl cellulose, silica, and ascorbyl palmitate.

DIRECTIONS: Take two capsules once or twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, sesame, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Berberine

Berberine HCL 1 g

 Available in
120 capsules

Berberine is a naturally occurring plant alkaloid broadly used in traditional ayurvedic and Chinese herbal practices with demonstrated benefits for blood glucose and lipid metabolism. In addition, it is used to support gastrointestinal and immune health.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Berberine HCL	1 g	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), dicalcium phosphate, ascorbyl palmitate, and silica.

DIRECTIONS: Take two capsules twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Berberine with InSea2®

Supports a Healthy Glycemic Response*

 Available in
60 capsules

Berberine with InSea2® features berberine, a naturally occurring plant alkaloid used for supporting healthy blood glucose levels, and InSea2®, a clinically studied blend of polyphenols derived from sustainably harvested, wildcrafted brown seaweed shown to support a healthy glycemic response to food.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
Chromium (as chromium nicotinate glycinate chelate) ^{S1}	7.5 mcg	21%
Berberine HCL	500 mg	**
Brown Seaweed Blend (<i>Ascophyllum nodosum</i> and <i>Fucus vesiculosus</i>)(20% polyphenols) ^{S2} ..	250 mg	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), magnesium stearate, and silica.

DIRECTIONS: Take one capsule twice daily before meals, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

BergaCor®

Cardiovascular and Blood Sugar Support
from Bergamot*

Available in 30 tablets
and 60 tablets

BergaCor® features a highly concentrated source of polyphenolic antioxidants derived from bergamot (*Citrus bergamia*), a flavonoid-rich fruit originating from the Calabria region in southern Italy and traditionally used to support cardiovascular wellness. Research has suggested that bergamot juice extract is utilized hepatically to help maintain healthy cholesterol levels already within normal range and to support healthy blood glucose metabolism.*

Serving Size: 2 Tablets

	Amount Per Serving	%Daily Value
Bergamot Extract (<i>Citrus bergamia</i>)(fruit juice)(47% total polyphenols [neohesperidin, naringin, neohesperidin, melitidin, and brutieridin]) ^{S1}	1.3 g	**

** Daily Value not established.

Other Ingredients: Croscarmellose sodium, microcrystalline cellulose, ascorbyl palmitate, silica, and coating (hydroxypropyl methyl cellulose and medium-chain triglycerides).

DIRECTIONS: Take one to two tablets daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

S1. Bergamot Polyphenolic Fraction Gold (BPPG®) is a registered trademark of H&AD S.R.L.

BergaCor® Plus

Cardiovascular and Blood Sugar Support
from Bergamot and Amla*

Available in
60 tablets

BergaCor® Plus combines the antioxidant activity of bergamot (*Citrus bergamia*) with the tonifying superfruit of amla (*Phyllanthus emblica*). Bergamot is used traditionally in Italy to support cardiovascular wellness. Amla is revered in Ayurveda for its role in cardiovascular health, and this use has been validated in modern human clinical trials. Research suggests that the lipid- and glucose-balancing flavonoids of bergamot and amla help maintain healthy cholesterol levels already within normal range and support healthy blood glucose metabolism.*

Serving Size: 2 Tablets

	Amount Per Serving	%Daily Value
Bergamot Extract (<i>Citrus bergamia</i>)(fruit juice)(47% total polyphenols [neohesperidin, naringin, neohesperidin, melitidin, and brutieridin]) ^{S1}	800 mg	**
Amla Extract (<i>Phyllanthus emblica</i>)(berry)(60% hydrolysable tannins) ^{S2}	500 mg	**

** Daily Value not established.

Other Ingredients: Croscarmellose sodium, microcrystalline cellulose, ascorbyl palmitate, silica, and coating (hydroxypropyl methyl cellulose and medium-chain triglycerides).

DIRECTIONS: Take one to two tablets twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

S2. Capros® is a registered trademark of Natreon Inc.

Bio C 1:1™

Featuring Vitamin C and Bioflavonoids

Available in
90 capsules

Bio C 1:1™ combines high-potency vitamin C with a standardized, full-spectrum, citrus bioflavonoid complex. Both vitamin C and bioflavonoids have been extensively researched for their roles in supporting antioxidant and immune function. In addition, research indicates that vitamin C is required for the synthesis of collagen, neurotransmitters, and carnitine. Bioflavonoids appear to support healthy metabolism and cognition by functioning as cell-signaling agents.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
Vitamin C (ascorbic acid).....	500 mg	556%
Citrus Bioflavonoid Complex (<i>Citrus aurantium</i>)(skin)(50% citrus bioflavonoids).....	500 mg	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), stearic acid, magnesium stearate, medium-chain triglyceride oil, and silica.

DIRECTIONS: Take one capsule daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

BrainSustain™

Comprehensive Brain Support Formula*

 Available in Vanilla Delight and Creamy Chocolate

BrainSustain™ represents more than 30 years of neuroscience research. Designed to address brain health, structure, and function, BrainSustain contains a variety of nutrients and cofactors that support mitochondrial energy production, antioxidant systems, neurotransmitter production, and cell membrane integrity.*

BrainSustain features 50 mg of EVNol™ in every serving. EVNol is a patented full-spectrum, pure d-mixed-tocotrienols complex derived from red palm oil—a scientifically validated source. It provides all four tocotrienol isomers (alpha, beta, gamma, and delta) in natural ratios. Tocotrienols offer extraordinary protective benefits to brain cells (e.g., white matter) and neurons, and higher serum levels of tocotrienols are associated with cognitive health. This brain health formula also features VegaPro™, XYMOGEN's proprietary pea/rice protein blend; Aminogen®, to facilitate protein absorption; and activated B vitamins, including Quatrefolic® (5-methyltetrahydrofolate or 5-MTHF).*

Two scoops of BrainSustain powder provide the same amount of N-acetyl-L-cysteine, phosphatidylserine, acetyl-L-carnitine, alpha-lipoic acid, coenzyme Q10, and glucoraphanin (truebroc®) as eight capsules of XYMOGEN's NeuroActives™ BrainSustain™.

Buffered C Powder

High-Potency, Tapioca-Derived Vitamin C*

 Available in 20 stick packs

Buffered C Powder features 3,000 mg of vitamin C buffered with minerals and delivered in a fruit punch-flavored powder that rapidly disperses in water. This formula is packed with antioxidant activity and is well-suited for individuals seeking high-potency vitamin C to support immune health.*

Serving Size: 1 Stick Pack (about 7 g)		
	Amount Per Serving	%Daily Value
Vitamin C (ascorbic acid)	3,000 mg	3333%
Calcium (as calcium carbonate)	80 mg	6%
Magnesium (as magnesium carbonate)	160 mg	38%
Potassium (as potassium carbonate)	200 mg	4%
Other Ingredients: Malic acid, natural flavors, sodium bicarbonate, and stevia leaf extract.		
DIRECTIONS: Mix the contents of one stick pack (7 g) with 6-8 oz of cold water and consume daily, or use as directed by your healthcare professional.		
DOES NOT CONTAIN: Wheat, gluten, yeast, soy, corn, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.		

Calcium D-Glucarate

Supports Healthy Beta-Glucuronidase Activity*

 Available in 90 capsules

Calcium D-Glucarate is the supplemental, patented calcium salt form of D-glucaric acid—a substance produced naturally in the body and obtained through consumption of certain fruits and vegetables. Calcium D-glucarate has been extensively studied by researchers at the MD Anderson Cancer Center, and its health benefits are largely attributed to inhibition of beta-glucuronidase; this activity supports the body's ability to detoxify estrogens, xenobiotics, and fat-soluble toxins.*

Serving Size: 1 Capsule		
	Amount Per Serving	%Daily Value
Calcium (as calcium D-glucarate)	60 mg	5%
Calcium D-Glucarate	500 mg	**
** Daily Value not established.		
Other Ingredients: Capsule (hypromellose and water), stearic acid, microcrystalline cellulose, magnesium stearate, and silica.		
DIRECTIONS: Take one capsule twice daily, or as directed by your healthcare professional.		
FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.		
<small>Calcium D-glucarate is licensed from Applied Food Sciences, Inc. and is protected by US patent 7,662,863.</small>		

Candididal™

Natural Support for GI Balance†

 Available in 60 capsules

Candididal™ offers a complementary blend of herbs, essential oils, and sodium caprylate, a naturally occurring fatty acid. Candididal is formulated to support the body's immune system as well as a healthy gastrointestinal (GI) flora. This comprehensive formula contains herbs to support digestion and a healthy GI system.†

Serving Size: 2 Capsules		
	Amount Per Serving	%Daily Value
Oregano Extract (<i>Origanum vulgare</i>)(herb)	300 mg	**
Sodium Caprylate.....	300 mg	**
Ginger (<i>Zingiber officinale</i>)(rhizome).....	300 mg	**
Turmeric Extract (<i>Curcuma longa</i>)(root)(95% curcuminoids)	200 mg	**
Olive Extract (<i>Olea europaea</i>)(leaf)(20% oleuropein)	100 mg	**
** Daily Value not established.		
Other Ingredients: Capsule (hypromellose and water), dicalcium phosphate dihydrate, stearic acid, calcium silicate, magnesium stearate, silica, and medium-chain triglyceride oil.		
DIRECTIONS: Take one to two capsules, once daily, or as directed by your healthcare professional.		
FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.		

CarniteX™
Ultra-Pure L-Carnitine

Available in
60 capsules

CarniteX™, a highly stabilized form of the amino acid L-carnitine, supports cardiovascular health, pulmonary function, and muscle recovery from exercise. L-carnitine supports fat utilization and energy production in the mitochondria and is found in abundance in heart and skeletal muscle. CarniteX contains 60% pure L-carnitine and 32% natural L-tartaric acid.*

Table with 3 columns: Ingredient, Amount Per Serving, %Daily Value. Row 1: L-Carnitine (as L-carnitine L-tartrate) 340 mg. Row 2: ** Daily Value not established.

Other Ingredients: HPMC (capsule), stearic acid, magnesium stearate, and silica.
DIRECTIONS: Take one capsule twice daily between meals, or as directed by your healthcare practitioner.
DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

CheleX™
Support Against Oxidative Elements*

Available in
120 capsules

CheleX™ is designed to help the body rid itself of damaging oxidative elements. It features specialized ingredients, such as EDTA, Himalayan shilajit extract, chlorella, and antioxidant-stimulating nutrients. These ingredients perform in concert to support your health when your body is challenged by environmental toxins, such as heavy metals.*

Table with 3 columns: Ingredient, Amount Per Serving, %Daily Value. Rows include Himalayan Shilajit Extract (600 mg), Calcium Disodium EDTA (300 mg), Chlorella (300 mg), N-Acetyl-L-Cysteine (200 mg), Alpha-Lipoic Acid (100 mg), and Allicin (6 mg).

Other Ingredients: Capsule (hypromellose and water), microcrystalline cellulose, stearic acid, magnesium stearate, and silica.
DIRECTIONS: Take two to four capsules daily, or as directed by your healthcare practitioner.
FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

CholeRex™
Policosanol with OptiMag® 125

Available in
60 capsules

CholeRex™ features policosanol, a substance isolated from sugarcane wax that is used to support blood lipid metabolism. It is combined with OptiMag® 125, XYMOGEN's proprietary blend of two Albion® magnesium chelates. These forms of magnesium are known to be well tolerated and have excellent bioavailability. Combining policosanol and OptiMag 125 is thought to complement each component's cardioprotective benefits.*

Table with 3 columns: Ingredient, Amount Per Serving, %Daily Value. Row 1: Magnesium (as dimagnesium malate and magnesium lysinate glycinate chelate) 100 mg 24%. Row 2: Policosanol (from Saccharum officinarum) (sugarcane wax) 10 mg.

Other Ingredients: Capsule (hypromellose and water), stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.
DIRECTIONS: Take one capsule one to two times daily with food, or as directed by your healthcare practitioner.
FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

S1. TRAACS and the Albion Medallion design are registered trademarks of Albion Laboratories, Inc. Malate covered by U.S. Patent 6,706,904 and patents pending.

CinnDromeX™
Glucose Metabolism Support*

Available in
120 capsules

CinnDromeX™ features significant quantities of key ingredients that support insulin utilization and glucose metabolism. CinSulin® is a safe, patented, 100% water-soluble, 10:1 concentrated form of cinnamon that provides polyphenol polymers. Standardized American ginseng, green tea, gymnema, and alpha-lipoic acid help protect pancreatic cells, support insulin sensitivity, and provide antioxidant activity. Albion®'s TRAACS® patented chromium is added for its role in enhancing insulin activity.*

Serving Size: 2 Capsules			VEGETARIAN CAPS
	Amount Per Serving	%Daily Value	
Chromium (as chromium nicotinate glycinate chelate) ^{S1}	200 mcg	571%	
American Ginseng Extract (<i>Panax quinquefolius</i>)(root and leaf)(15% ginsenosides)	375 mg	**	
Alpha-Lipoic Acid	200 mg	**	
Green Tea Extract (<i>Camellia sinensis</i>)(leaf)(30% EGCG)	200 mg	**	
Gymnema 5:1 Extract (<i>Gymnema sylvestre</i>)(leaf)	200 mg	**	
Cinnamon 10:1 Aqueous Extract (<i>Cinnamomum cassia</i>)(bark) ^{S2}	200 mg	**	
**Daily Value not established.			

Other Ingredients: Capsule (hypromellose and water), microcrystalline cellulose, stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.

DIRECTIONS: Take two capsules daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

 S1. TRAACS and the Albion Medallion design are registered trademarks of Albion Laboratories, Inc.

S2. CinSulin® is registered trademark of Tang-An Medical Co., Ltd. US patent 6,200,569.

Cogniquil®
Support for Clarity and Motivation*

Available in
60 capsules

Cogniquil® provides a unique blend of patented, stimulant-free, non-habit-forming ingredients. Methylcobalamin supports cognition and contributes to healthy energy metabolism; magnesium L-threonate supplies highly bioavailable magnesium to the brain, which is vital to cognitive function; and theacrine promotes mental and physical energy, focus, and motivation.*

Serving Size: 2 Capsules			VEGETARIAN CAPS
	Amount Per Serving	%Daily Value	
Vitamin B12 (as MecobalActive™ methylcobalamin)	2000 mcg	83,333%	
Magnesium (as Magtein™ magnesium L-threonate)	70 mg	17%	
Magtein™ Magnesium L-Threonate	1 g	**	
TeaCrine® Theacrine	200 mg	**	
** Daily Value not established.			

Other Ingredients: Capsule (hypromellose and water), microcrystalline cellulose, ascorbyl palmitate, silica, medium-chain triglyceride oil, and calcium silicate.

DIRECTIONS: Begin with two capsules daily to determine response. Increase to a maximum of two capsules twice daily, or take as directed by your healthcare practitioner.

DOES NOT CONTAIN: Wheat, gluten, yeast, corn, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

 is a registered trademark and is protected by Patents Pending, Serial No. 61/903,362; under exclusive global distribution by Compound Solutions, Inc.

ColonX™
Support for Gastrointestinal Regularity*

Available in 60 capsules
and 120 capsules

ColonX™ is designed to support gastrointestinal (GI) regularity and complement dietary fiber intake. Magnesium citrate is present to support muscle relaxation and bowel elimination. Cape Aloe is added to support normal GI transit time and stool bulk. Triphala, a balanced blend of astringent fruits used extensively in Ayurveda, is present to support all phases of digestion, assimilation, and elimination. Gastrointestinal regularity in turn plays a fundamental role in detoxification, providing a major route for elimination of toxins.*

Serving Size: 2 Capsules

Cape Aloe (<i>Aloe ferox</i>)(leaf).....	300 mg	**		
** Daily Value not established.				

Other Ingredients: Capsule (hypromellose and water), stearic acid, magnesium stearate, silica, and medium-chain triglyceride oil.

DIRECTIONS: Take one to two capsules at bedtime with 8 oz of water, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

CoQmax™ Omega 50 mg
Dual-Action Cardiovascular Support*

Available in 30 softgels
and 120 softgels

CoQmax™ Omega 50 mg provides dual-action cardiovascular support with patented ingredients selected for their individual roles in promoting heart health. MaxSimil® highly absorbable monoglyceride fish oil is International Fish Oil Standards (IFOS) five-star certified. Kaneka Q10®, a naturally pure form of bioidentical CoQ10, is well-researched for boosting energy production in the heart and protecting the cardiovascular system from oxidative stress.*

CoQmax™ Ubiquinol

Bioactive Antioxidant Support*

Available in
60 softgels

Ubiquinol, the bioactive form of CoQ10, supports antioxidant activity by neutralizing free radicals and toxic superoxides. It supports cytoprotection by minimizing membrane lipid peroxidation as well. The patented, lipid-stabilized form of ubiquinol in CoQmax™ Ubiquinol is present for enhanced bioavailability. Ubiquinol, representing over 90% of total body CoQ10, is efficiently converted to the energy-generating ubiquinone form as the body needs it.*

30 softgels

Ubiquinol, the bioactive form of CoQ10, supports antioxidant activity by neutralizing free radicals and toxic superoxides. It supports cytoprotection by minimizing membrane lipid peroxidation as well. The patented, lipid-stabilized form of ubiquinol in CoQmax™ Ubiquinol 200 mg is present for enhanced bioavailability. Ubiquinol, representing over 90% of total body CoQ10, is efficiently converted to the energy-generating ubiquinone form as the body needs it.*

Serving Size: 1 Softgel

	Amount Per Serving	%Daily Value
Calories.....	10	
Total Fat.....	1 g	1%†
Kaneka Ubiquinol® Coenzyme Q10 (as ubiquinol).....	200 mg	**

† Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value not established.

Other Ingredients: Medium-chain triglycerides, softgel (bovine gelatin, glycerin, purified water, and annatto in sunflower oil), ascorbyl palmitate, sunflower lecithin, and white beeswax.

The use of Ascorbyl Palmitate in the formulation is covered by US patent 6,740,338.

DIRECTIONS: Take one to two softgels daily, or as directed by your healthcare practitioner.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or artificial preservatives.

Q+®, Kaneka Ubiquinol®, and the quality seal® are registered or pending trademarks of Kaneka Corp.

Corticare B™

Enhanced Support for Coenzyme A Production*

 Available in 120 capsules
and 240 capsules

Corticare B™ is formulated to support the body's efforts in adrenal hormone production and energy generation. It provides activated B vitamins, vitamin C, and L-carnitine, as well as BioPerine® to support nutrient absorption. The Quatrefolic® form of 5-methyltetrahydrofolate (5-MTHF) is present for optimal folate bioavailability. L-carnitine enhances activation of pantothenate kinase—the first, most critical enzyme involved in the metabolic conversion of pantothenic acid to coenzyme A.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
Vitamin C (as magnesium ascorbate).....	37.5 mg	42%
Vitamin B6 (as pyridoxine HCl and pyridoxal 5'-phosphate).....	37.5 mg	2,206%

CurcuPlex-95™
BCM-95® Curcumin Complex

Available in 60 capsules
and 120 capsules

CurcuPlex-95™ features BCM-95®/Curcugreen™—a 100% pure turmeric extract standardized to curcumin, demethoxycurcumin, bisdemethoxycurcumin, and essential oils of turmeric rhizome. This natural composition optimizes bioavailability and reflects true turmeric identity to deliver optimal health benefits. BCM-95 has been extensively studied and shows broad efficacy without the use of phospholipids, excipients, additives, carriers, nanotechnology, or bioenhancers.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
BCM-95® Turmeric Extract (<i>Curcuma longa</i>)(rhizome)(95% total curcuminoids complex, including curcumin, curcuminoids, and volatile oils)(86% curcuminoids)(65% curcumin)

D3 2000
Concentrated D3 in Softgel and Liquid Forms

Available in 120 softgels
and 240 softgels

D3 2000 contains vitamin D3 (cholecalciferol) in convenient softgels. Vitamin D3 is the bioidentical form of vitamin D synthesized in the body from cholesterol, following activation by the UV rays in sunlight. This form is excellent for maintaining healthy levels of vitamin D in the body. Mounting evidence suggests roles for vitamin D not only in bone health, but also in supporting immune, neurological, musculoskeletal, cellular, and cardiovascular health.*

Serving Size: 1 Softgel		
	Amount Per Serving	%Daily Value
Vitamin D3 (cholecalciferol).....	50 mcg (2000 IU)	250%
Other Ingredients: Organic, extra virgin olive oil and softgel (bovine gelatin, vegetable glycerin, and purified water).		
DIRECTIONS: Take one softgel daily, or as directed by your healthcare practitioner.		
DOES NOT CONTAIN: Wheat, gluten, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.		

D3 5000
Convenient Supra-Dose Vitamin D3

Available in 60 softgels,
90 softgels, and 180 softgels

D3 5000™ contains vitamin D3 (cholecalciferol) in convenient softgels. Vitamin D3 is the bioidentical form of vitamin D synthesized in the body from cholesterol, following activation by the UV rays in sunlight. This form is excellent for maintaining healthy levels of vitamin D in the body. Mounting evidence suggests roles for vitamin D not only in bone health, but also in supporting immune, neurological, musculoskeletal, cellular, and cardiovascular health.*

Serving Size: 1 Softgel		
	Amount Per Serving	%Daily Value
Vitamin D3 (as cholecalciferol).....	125 mcg (5000 IU)	625%
Other Ingredients: Organic, extra virgin olive oil and softgel (bovine gelatin, vegetable glycerin, and purified water).		
DIRECTIONS: Take one softgel daily, or as directed by your healthcare practitioner.		
DOES NOT CONTAIN: Wheat, gluten, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.		

D3 Liquid

Vitamin D Liquid (cholecalciferol)
1000 IU drops

Available in 1 fluid ounce (30 mL)
and 2.03 fluid ounces (60 mL)

D3 Liquid comprises lanolin-derived cholecalciferol provided in a convenient liquid base of sunflower oil and purified water. A special micro-emulsification process used to combine the vitamin D and sunflower oil is designed to create a natural micellized matrix once coated by the stomach bile in order to encourage absorption. Vitamin D3 has shown to be three times as potent as vitamin D2.*

Serving Size: 1 Drop (about 0.0394 mL)

	Amount Per Serving	%Daily Value
Vitamin D3 (cholecalciferol)	25 mcg (1000 IU)	125%

Other Ingredients: Sunflower oil.

DIRECTIONS: Shake well before using. Take one drop, one to five times daily (plain or in liquid), or as directed by your healthcare practitioner.

DOES NOT CONTAIN: Wheat, gluten, corn, yeast, soy, dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

DHA from Algae

Supports Brain, Eye, and Immune Health*

Available in
60 vegetarian softgels

DHA from Algae contains docosahexaenoic acid (DHA), a conditionally essential omega-3 fatty acid. DHA is highly concentrated in brain synaptosomes, the cerebral cortex, mitochondria, and retina. It plays an important role in the fluidity and permeability of cell membranes and cellular communication, and supports optimal function of the brain, eyes, and immune system. This patented, processed formula is derived from marine algae.*

Serving Size: 1 Vegetarian Softgel

	Amount Per Serving	%Daily Value

Total Fat.....	0.5 g	1%†
life'sDHA® DHA (docosahexaenoic acid from algal oil).....	200 mg	**

†Percent Daily Values are based on a 2,000 calorie diet.

**Daily Value not established.

Other Ingredients: Softgel (water, modified corn starch, glycerin, carrageenan, sorbitol, caramel, and beta-carotene), high oleic sunflower oil, tocopherols, natural flavor, sunflower lecithin, and ascorbyl palmitate.

DIRECTIONS: Take one vegetarian softgel daily with a meal, or as directed by your healthcare practitioner.

DOES NOT CONTAIN: Wheat, gluten, soy protein, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

Protected by U.S. Patent: 5,407,957 and 5,492,938

DHEA Micronized 10 mg

Supports Healthy Androgen and Estrogen Levels*

Available in
60 tablets

DHEA Micronized features dehydroepiandrosterone (DHEA), a steroid hormone precursor that is converted by the body into androgen, estrogen, and other hormones. DHEA naturally peaks in early adulthood and declines with age.*

Serving Size: 1 Tablet

	Amount Per Serving	%Daily Value
Micronized Dehydroepiandrosterone (DHEA)	10 mg	**

** Daily Value not established

Other Ingredients: Dicalcium phosphate dihydrate, microcrystalline cellulose, croscarmellose sodium, ascorbyl palmitate, hydroxypropyl cellulose, silica, and coating (tapioca maltodextrin, sunflower lecithin, palm oil, and guar gum).

DIRECTIONS: Take one tablet twice daily, or as directed by your healthcare professional. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

DHEA Micronized 25 mg

Supports Healthy Androgen and Estrogen Levels*

Available in
60 tablets

DHEA Micronized features dehydroepiandrosterone (DHEA), a steroid hormone precursor that is converted by the body into androgen, estrogen, and other hormones. DHEA naturally peaks in early adulthood and declines with age.*

DIRECTIONS: Take one tablet twice daily, or as directed by your healthcare professional. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

DIMension 3®

Proprietary DIM, Curcumin & Bioperine® Formula

 Available in 120 capsules
and 240 capsules

DIMension 3® represents a three-dimensional approach to supporting healthy estrogen metabolism. Research suggests that diindolylmethane (DIM), curcumin (from turmeric extract), and the patented black pepper extract BioPerine® support balanced estrogen metabolism.*

Serving Size: 2 Capsules

	Amount Per Serving	%Daily Value
Calcium (as dicalcium phosphate)	62 mg	5%
Turmeric Extract (<i>Curcuma longa</i>)(rhizome)(95% curcuminoids) ..	250 mg	**

Black Pepper Extract (<i>Piper nigrum</i>)(fruit)(93% piperine) ^{S1}	2.5 mg	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), magnesium stearate, hydroxypropyl cellulose, and silica.

DIRECTIONS: Take two capsules daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.

S1. BioPerine is a registered trademark of Sabinsa Corp. BioPerine is protected by US patents 5,536,506; 5,744,161; 5,972,382; and 6,054,585.

DioVasc™

Natural Support for Healthy Veins and Microcirculation*

 Available in
60 capsules

DioVasc™ contains well-researched, citrus-based flavonoids in a unique micronized form for enhanced absorption and bioavailability. Research suggests that these compounds support healthy veins, capillaries, and blood flow; promote healthy lymphatic drainage; and enhance antioxidant activity; and support healthy eicosanoid metabolism. More recent research suggests that the components in DioVasc also support blood glucose metabolism.*

Serving Size: 1 Capsule

	Amount Per Serving	%Daily Value
DioVasc Proprietary Blend		
Micronized diosmin (<4 microns) (from <i>Citrus sinensis</i>)(fruit)		
and hesperidin (from <i>Citrus sinensis</i>)(fruit)	500 mg	**

** Daily Value not established.

Other Ingredients: Capsule (hypromellose and water), magnesium stearate, and silica.

DIRECTIONS: Take one capsule twice daily, or as directed by your healthcare professional.

FORMULATED TO EXCLUDE: Wheat, gluten, corn, yeast, soy, animal and dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, and artificial preservatives.

Drainage

Formulated for symptoms associated with toxicity such as fatigue, headaches, and sluggish elimination

 Available in
1 fl. oz. bottle

Active Ingredients: Equal parts of Cynara 6x, Solidago 6x, Taraxacum 6x, Benzoicum ac. 15x, Berber. vulg. 15x, Bryonia 15x, Cantharis 15x, Carduus ben. 15x, Carduus mar. 15x, Ceanothus 15x, Chelidonium maj. 15x, Chionanthus 15x, Cinchona 15x, Dioscorea 15x, Dolichos 15x, Iris vers. 15x, Juniperus com. 15x, Nux vom. 15x, Ptelea 15x, Taraxacum 15x, Uricum ac. 15x.

Inactive Ingredients: USP Purified water; USP Gluten-free, non-GMO, organic cane alcohol 20%.

DIRECTIONS: Ages 12 and up, take 6 drops by mouth (ages 0 to 11, give 3 drops) at bedtime or as directed by a healthcare professional.

XYMO PRINT®

Digital Packaging | Print Solutions

Private Label *Expertise*

XYMOGEN is an industry leader in private labeling. From our talented team of designers to our fast fulfillment options, you can rest assured that your brand is in safe hands. Here are just some of the amazing advantages of XYMOGEN's Private Label Program:

- **Private Label NOW!** For high-volume customers, we forecast your inventory needs to have your branded product ready to ship when you need it.
- **MedPax:** Customized daily dose packs tailor-made for your patients with your practice's branding!
- **Label Quality:** We offer a wide variety of label substrates and printing options to set your label apart from the competition.

Call your XYMOGEN Senior Medical Consultant today to get started.

Healthy Hormone Support for Women*

 Available in
120 capsules

Femquil® delivers biologically active folate and other key methylation vitamins in combination with a targeted blend of ingredients to encourage hormone balance, help modify xenoestrogen activity, and restore tranquility. Vitex and black cohosh provide traditional hormone-balancing support; DIM and calcium D-glucarate promote estrogen detoxification; and rosemary, resveratrol, grape seed extract, and green tea extract provide antioxidant activity.*
